SPECIAL DEFERRED PAYMENT PLAN

So that you will not miss this unusual auction sale, we will help you spread the payment for the lots you may succeed in buying. If you have not already established credit with us, send in two adequate credit references before the time of the sale. Indicate on your bid sheet that you wish to take advantage of our Deferred Payment Plan. Upon receipt of the lots on which your bids were successful, send in 50 per cent of the amount due **IMMEDIATELY,** 25 per cent within thirty days, and the remaining 25 per cent within sixty days from date of the sale. In this way you will have the opportunity to buy at "cash" auction prices, yet pay over a convenient period.

Prices appearing after each lot are based upon the 1951 Guide Book, the 1950 Standard Catalog, other specialized catalogs and prices realized at past sales. Since the market is strengthening, there should be a steady rise in the values during 1951. These prices are not a limit as higher or lower prices may prevail.
